

## 208-XL-NPP-B INA

SKU: INA208-NPP-B

### Specificaties

|                      |                                                                                                                    |
|----------------------|--------------------------------------------------------------------------------------------------------------------|
| designation          | 208-XL-NPP-B                                                                                                       |
| Boring diameter (mm) | 40                                                                                                                 |
| Buitendiameter (mm)  | 80                                                                                                                 |
| Breedte (mm)         | 18                                                                                                                 |
| Eenheden             | pc                                                                                                                 |
| Gewicht (kg)         | 0.32                                                                                                               |
| Omschrijving (EN)    | Self-aligning deep groove ball bearings 2..-NPP-B, spherical outer ring, inner ring for fit, R seals on both sides |
| EAN-code             | 4012802782684                                                                                                      |
| Merk                 | INA                                                                                                                |
| Boring diameter (mm) | 40                                                                                                                 |
| Buitendiameter (mm)  | 80                                                                                                                 |
| Breedte (mm)         | 18                                                                                                                 |
| Gewicht (kg)         | 0.32                                                                                                               |
