

## 21317-E1-XL-C3 FAG

SKU: FAG21317-E1-C3

### Specificaties

|                      |                                                                  |
|----------------------|------------------------------------------------------------------|
| designation          | 21317-E1-XL-C3                                                   |
| Boring diameter (mm) | 85                                                               |
| Buitendiameter (mm)  | 180                                                              |
| Breedte (mm)         | 41                                                               |
| Eenheden             | pc                                                               |
| Gewicht (kg)         | 5.207                                                            |
| Omschrijving (EN)    | Spherical roller bearings 213..-E1, main dimensions to DIN 635-2 |
| EAN-code             | 4026677960054                                                    |
| Merk                 | FAG                                                              |
| Boring diameter (mm) | 85                                                               |
| Buitendiameter (mm)  | 180                                                              |
| Breedte (mm)         | 41                                                               |
| Gewicht (kg)         | 5.207                                                            |

### Beschrijving

21317-E1-XL-C3 FAG Double row spherical roller bearings
