

## 22212-E1A-XL-M FAG

SKU: FAG22212-E1A-M

### Specificaties

|                      |                                                                 |
|----------------------|-----------------------------------------------------------------|
| designation          | 22212-E1A-XL-M                                                  |
| Boring diameter (mm) | 60                                                              |
| Buitendiameter (mm)  | 110                                                             |
| Breedte (mm)         | 28                                                              |
| Eenheden             | pc                                                              |
| Gewicht (kg)         | 1.085                                                           |
| Omschrijving (EN)    | Spherical roller bearing 222..-E1A-XL-M, symmetric 2 outer ribs |
| EAN-code             | 4026677807755                                                   |
| Merk                 | FAG                                                             |
| Boring diameter (mm) | 60                                                              |
| Buitendiameter (mm)  | 110                                                             |
| Breedte (mm)         | 28                                                              |
| Gewicht (kg)         | 1.085                                                           |

### Beschrijving

22212-E1A-XL-M FAG Double row spherical roller bearings
