

## 22218-E1-XL-K-C4 FAG

SKU: FAG22218-E1-K-C4

### Specificaties

|                      |                                                                                                   |
|----------------------|---------------------------------------------------------------------------------------------------|
| designation          | 22218-E1-XL-K-C4                                                                                  |
| Boring diameter (mm) | 90                                                                                                |
| Buitendiameter (mm)  | 160                                                                                               |
| Breedte (mm)         | 40                                                                                                |
| Eenheden             | pc                                                                                                |
| Gewicht (kg)         | 3.26                                                                                              |
| Omschrijving (EN)    | Spherical roller bearings 222..-E1-K, main dimensions to DIN 635-2, with tapered bore, taper 1:12 |
| EAN-code             | 4026677860484                                                                                     |
| Merk                 | FAG                                                                                               |
| Boring diameter (mm) | 90                                                                                                |
| Buitendiameter (mm)  | 160                                                                                               |
| Breedte (mm)         | 40                                                                                                |
| Gewicht (kg)         | 3.26                                                                                              |

### Beschrijving

22218-E1-XL-K-C4 FAG Double row spherical roller bearings
