

## 22228-E1A-XL-M FAG

SKU: FAG22228-E1A-M

### Specificaties

|                      |                                                                 |
|----------------------|-----------------------------------------------------------------|
| designation          | 22228-E1A-XL-M                                                  |
| Boring diameter (mm) | 140                                                             |
| Buitendiameter (mm)  | 250                                                             |
| Breedte (mm)         | 68                                                              |
| Eenheden             | pc                                                              |
| Gewicht (kg)         | 14.111                                                          |
| Omschrijving (EN)    | Spherical roller bearing 222..-E1A-XL-M, symmetric 2 outer ribs |
| EAN-code             | 4026677851239                                                   |
| Merk                 | FAG                                                             |
| Boring diameter (mm) | 140                                                             |
| Buitendiameter (mm)  | 250                                                             |
| Breedte (mm)         | 68                                                              |
| Gewicht (kg)         | 14.111                                                          |

### Beschrijving

22228-E1A-XL-M FAG Double row spherical roller bearings
