

## 22314-E1A-XL-K-M FAG

SKU: FAG22314-E1A-K-M

### Specificaties

|                      |                                                                   |
|----------------------|-------------------------------------------------------------------|
| designation          | 22314-E1A-XL-K-M                                                  |
| Boring diameter (mm) | 70                                                                |
| Buitendiameter (mm)  | 150                                                               |
| Breedte (mm)         | 51                                                                |
| Eenheden             | pc                                                                |
| Gewicht (kg)         | 4.178                                                             |
| Omschrijving (EN)    | Spherical roller bearing 223..-E1A-XL-K-M, symmetric 2 outer ribs |
| EAN-code             | 4026677847829                                                     |
| Merk                 | FAG                                                               |
| Boring diameter (mm) | 70                                                                |
| Buitendiameter (mm)  | 150                                                               |
| Breedte (mm)         | 51                                                                |
| Gewicht (kg)         | 4.178                                                             |

### Beschrijving

22314-E1A-XL-K-M FAG Double row spherical roller bearings
