

## 22315-E1A-XL-K-M FAG

SKU: FAG22315-E1A-K-M

### Specificaties

|                      |                                                                   |
|----------------------|-------------------------------------------------------------------|
| designation          | 22315-E1A-XL-K-M                                                  |
| Boring diameter (mm) | 75                                                                |
| Buitendiameter (mm)  | 160                                                               |
| Breedte (mm)         | 55                                                                |
| Eenheden             | pc                                                                |
| Gewicht (kg)         | 5.117                                                             |
| Omschrijving (EN)    | Spherical roller bearing 223...E1A-XL-K-M, symmetric 2 outer ribs |
| EAN-code             | 4026677848017                                                     |
| Merk                 | FAG                                                               |
| Boring diameter (mm) | 75                                                                |
| Buitendiameter (mm)  | 160                                                               |
| Breedte (mm)         | 55                                                                |
| Gewicht (kg)         | 5.117                                                             |

### Beschrijving

22315-E1A-XL-K-M FAG Double row spherical roller bearings
