

## 22328-E1-XL-C3 FAG

SKU: FAG22328-E1-C3

### Specificaties

|                      |                                                                  |
|----------------------|------------------------------------------------------------------|
| designation          | 22328-E1-XL-C3                                                   |
| Boring diameter (mm) | 140                                                              |
| Buitendiameter (mm)  | 300                                                              |
| Breedte (mm)         | 102                                                              |
| Eenheden             | pc                                                               |
| Gewicht (kg)         | 34.327                                                           |
| Omschrijving (EN)    | Spherical roller bearings 223..-E1, main dimensions to DIN 635-2 |
| EAN-code             | 4026677833303                                                    |
| Merk                 | FAG                                                              |
| Boring diameter (mm) | 140                                                              |
| Buitendiameter (mm)  | 300                                                              |
| Breedte (mm)         | 102                                                              |
| Gewicht (kg)         | 34.327                                                           |

### Beschrijving

22328-E1-XL-C3 FAG Double row spherical roller bearings
