

## 234428-M-SP FAG

SKU: FAG234428-M-SP

## Specificaties

|                      |                                                                                              |
|----------------------|----------------------------------------------------------------------------------------------|
| designation          | 234428-M-SP                                                                                  |
| Boring diameter (mm) | 140                                                                                          |
| Buitendiameter (mm)  | 210                                                                                          |
| Breedte (mm)         | 84                                                                                           |
| Eenheden             | pc                                                                                           |
| Gewicht (kg)         | 8.791                                                                                        |
| Omschrijving (EN)    | Axial angular contact ball bearings 2344, double direction, separable, restricted tolerances |
| EAN-code             | 4012801193580                                                                                |
| Merk                 | FAG                                                                                          |
| endCategory          | Angular contact bearings                                                                     |
| Boring diameter (mm) | 140                                                                                          |
| Buitendiameter (mm)  | 210                                                                                          |
| Breedte (mm)         | 84                                                                                           |
| Gewicht (kg)         | 8.791                                                                                        |

## Beschrijving

234428-M-SP FAG SP Angular contact bearings
