

## 23960-B-MB FAG

SKU: FAG23960-B-MB

### Specificaties

|                      |                                                        |
|----------------------|--------------------------------------------------------|
| designation          | 23960-B-MB                                             |
| Boring diameter (mm) | 300                                                    |
| Buitendiameter (mm)  | 420                                                    |
| Breedte (mm)         | 90                                                     |
| Eenheden             | pc                                                     |
| Gewicht (kg)         | 39.05                                                  |
| Omschrijving (EN)    | Spherical roller bearing 239...-B-MB, symmetric 3 ribs |
| EAN-code             | 4012801193894                                          |
| Merk                 | FAG                                                    |
| Boring diameter (mm) | 300                                                    |
| Buitendiameter (mm)  | 420                                                    |
| Breedte (mm)         | 90                                                     |
| Gewicht (kg)         | 39.05                                                  |

### Beschrijving

23960-B-MB FAG Double row spherical roller bearings
