

## 29248-E1-MB FAG

SKU: FAG29248-E1-MB

### Specificaties

|                      |                                                                 |
|----------------------|-----------------------------------------------------------------|
| designation          | 29248-E1-MB                                                     |
| Boring diameter (mm) | 240                                                             |
| Buitendiameter (mm)  | 340                                                             |
| Breedte (mm)         | 60                                                              |
| Gewicht (kg)         | 16.913                                                          |
| Omschrijving (EN)    | Axial spherical roller bearing 292...-E1-MB, with flanging ring |
| EAN-code             | 4012802189568                                                   |
| Merk                 | FAG                                                             |
| Boring diameter (mm) | 240                                                             |
| Buitendiameter (mm)  | 340                                                             |
| Breedte (mm)         | 60                                                              |
| Gewicht (kg)         | 16.913                                                          |

### Beschrijving

29248-E1-MB FAG Spherical roller thrust bearings
