

## GAL10-DO INA

SKU: INAGAL10-DO

## Specificaties

|                      |                                                                                                                                                               |
|----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| designation          | GAL10-DO                                                                                                                                                      |
| Boring diameter (mm) | 10                                                                                                                                                            |
| Buitendiameter (mm)  | 19                                                                                                                                                            |
| Breedte (mm)         | 9                                                                                                                                                             |
| Eenheden             | pc                                                                                                                                                            |
| Gewicht (kg)         | 0.052976                                                                                                                                                      |
| Omschrijving (EN)    | Rod end with external thread, left hand thread, requiring maintenance, sliding contact surface: steel/steel, DIN ISO 1224-4, dimension series E, type M, open |
| EAN-code             | 4012802523720                                                                                                                                                 |
| Merk                 | INA                                                                                                                                                           |
| Boring diameter (mm) | 10                                                                                                                                                            |
| Buitendiameter (mm)  | 19                                                                                                                                                            |
| Breedte (mm)         | 9                                                                                                                                                             |
| Gewicht (kg)         | 0.052976                                                                                                                                                      |
